

RICHARD G. LUGAR
UNITED STATES SENATOR
WASHINGTON, D.C. 20510

May, 2011

Dear Friends:

I extend greetings to everyone attending the 15th annual Indianapolis Air Show at the Mount Comfort Airport. This annual event that contributes to central Indiana charities through the Central Indiana Community Foundation is immensely appreciated by Hoosiers.

This year's performances by some of the finest aerial teams will thrill the audience with their precision and professional knowledge. I am pleased to learn the Navy Blue Angels will perform as we celebrate the Centennial of Naval Aviation, and join with everyone in thanking them for adding the 15th annual Indianapolis Air Show to their agenda.

My best wishes to the Blue Angels and to all the performers and attendees of this year's 15th annual Indianapolis Air Show.

Sincerely,

Richard G. Lugar
United States Senator
