Dear Friends and Visitors,

It is my pleasure to personally welcome everyone to Hancock County to witness the 15<sup>th</sup> Annual Indianapolis Air Show. We are proud that the Indianapolis Air Show continues to be one of the largest, charity events in this area and that hundreds of volunteers from our community donate their talents and time each year to make this such a successful event. You will find that Hoosier Hospitality is alive as residents warmly welcome you to the county and to this prestigious event.

Please join the one of the largest and longest running charity events which benefits many children's charities and the Central Indiana Community Foundation. You will be thrilled by the U.S. Navy Blue Angels, Red Eagle Air Sports, the U.S. Civil Air Patrol, Grace on Wings, and many other air demonstrations and land exhibits.

Many businesses and organizations from our county participate in this event, volunteer their time, and participate in the air and land events. On behalf of the community, I encourage you to attend this amazing show! Please join me, Hancock County, and the City of Greenfield as we honor our veterans and the Indianapolis Air Show as host of this spectacular community event."

Sincerely,

Brad DeReamer, Mayor  
City of Greenfield
